Foul, subjective thoughts into the air  
Objective inhale the atheistic breath  
Slowly captivated by the suffocating mass  
Twisting the cross from heaven to hell

Christ was glared upon  
Seen by the frenzied meek  
Haunted by the unspoken phrase  
Followers have seen the one...ha...ha...weak

Desecration of alleged Christian history  
Leading the noble disciples  
Onto black massive infinity

Christ's assertion blazened out  
As the depths peacefully smirken  
Commanding the snorting beasts for his re-crucifixion  
Visualize heaven's cross  
Blaze in hell's fire  
The cross of the fallen angel  
Once again released...released

Twisting the cross [3x]  
*Twisting the cross from heaven to hell*

*Unsavable ones entrusted  
Souls for God to keep  
Meaningless words never seem to fail  
To attract reinforcements from deep*

*Desecration of alleged Christian history  
Leading the noble disciples  
Onto black massive infinity*

*Christ's assertion blazened out  
As the depths peacefully smirken  
Commanding the snorting beasts for his re-crucifixion  
Visualize heaven's cross  
Blaze in hell's fire  
The cross of the fallen angel  
Once again released...released*
