It's insatiable  
Going into overdrive  
It's a revolution  
Of the spirit

I'm fully able  
I finally feel alive  
It's a liberation  
Can you feel it?

I found my open road  
Destination unknown  
Out on my open road  
One I'll take until I die

[Chorus:]  
Follow...  
Follow...  
Come with me  
Taking every day  
Doing it my way  
Come with me

Without a thought  
I grab the reins  
I'll change my course  
And thrash it up

In the end I know  
It's me against the world  
It's my time now  
This feeling burns inside

I found my open road  
Destination unknown  
Out on my open road  
One I'll take until I die

[Chorus:]  
Follow...  
Follow...  
Come with me

Taking every day  
Doing it my way  
Come with me

I found my open road  
Destination unknown  
Out on my open road  
One I'll take until I die

[Chorus:]  
Follow...  
Follow...  
Come with me  
Seizing every day  
Throwing care away  
Rise with me

Destination unknown,  
Uncharted road never shown  
The only way to set me free
