This dread that I feel now  
On this crimson twilight  
Means the end is near  
I feel it coming on...  
The crowd is calling to me  
"Come and join us!"  
But he's ready to deceive  
While dressed to pretend  
Forever bound to him  
He's possessed my senses  
And I can't break out of  
His spell.  
His music draws me in  
Someone save me  
Before I've lost my  
Mind to this game  
This is only the start  
Scene one draws, you play the part in it all  
The dance of destiny, you can't break free  
The masquerade calls for you

[Chorus:]  
Masquerade Angel  
You're a devil in disguise

On the run from this  
Unholy madness  
We've passed that point  
Of no return

The crowd was calling to me  
"Come and join us"  
But I can't, he's  
Calling for my blood  
This is only the start  
Scene one draws, you play the part in it all  
The dance of destiny, you can't break free  
The masquerade calls for you

[Chorus:]  
Masquerade Angel  
You're a devil in disguise

Did you ever believe in something  
Only to have it taken away?  
If you follow his delusions  
It'll happen all over again

[Chorus:]  
Masquerade Angel  
You're a devil in disguise
