\ "Progress is based on development,
Knowledge will show the right decisions to take.
Cleansing is compulsory,
The aim is simple to justify\".

Serving the cause I believe in race,
Helping to grow a nation safe and relieved;
Numbers in the path of names,
I'm pleased and proud of my mission and fate.

Towards insanity he's fading away inside himself,
His visions break into pieces all the sense of life.

Your faith may fall
Don't waste the answers you have in your mind.
The right choices seem so close but don't think it's all
so easy for you.

Why are you consuming the blood
Of your brothers?
They're innocent and dear.
Please stop this outrageous crime!
Who are you fools?

Just leave me rest now!
Listen to the sighs of the souls.
I'm acting right,
I heard the master!

Were they right, were they right?
I am confused now,
It seems so clear, am I so blind?
Too many numbers, not a face,
I heard the voices, what shall I do?

Towards a self regret he's climbing to gain a way to
exist
Now his mind has changed trying to recreate the sense
of life.

Your faith may fall
Don't waste the answers you have in your mind.

The right choices seem so close but don't think it's all
so easy for you!
Your conscience calls
Don't miss the right sense you feel deep inside.
The right choices lie so close now,
Believe it's all within your reality.
