I wanna be your lover baby
I wanna be your man
I don't want no other baby
Want you again and again
And I've waited all night long
Now I know what I wanna do
I just wanna make love to you

I wanna see you under covers baby
I wanna hold your hand
And I'd kill out of free will if
I was to catch you with another man
Now I've waited all night long
Now I know what I wanna say
I wanna say ay, ay, ay,
Come on baby give it to me

I wanna be your man
I wanna be your man
Come get it while you can

Let me take you head on into a mistake
You never thought you'd ever make like a crash
You better pray you live to see another day
After the way I'm gonna punish your ass
Now I've waited all night long
Now I know what I wanna say
I wanna say ay, ay, ay
Everybody make a mistake

I wanna be your man
I wanna be your man
Come get it while you can
