[lyrics by Quorthon]

(modified a bit by Langsayer to be a little different then the Bathory version)

God of heaven  
Hear my cries of anguish  
I'm in pain

I've suffered a thousand deaths  
But i live on  
In vain

Death would greet with eternal sleep  
my soul will  
Come to peace

My life has ceased, the time has come  
Can no one  
Hear my pleas?

Lowered down in the moist ground  
Into the dark

And cold

My heart beat is the only sound  
[Pain] tears my limbs  
And soul

I scream for mercy, hear my cries  
Lord don't  
Abandon me

I'm so tired  
Grant me the  
Eternal sleep

Buried and forgotten  
In a cold and nameless grave  
If death is what's awaits me  
I feel no fright

Buried and forgotten  
In a cold and nameless grave  
If there's a Lord in Heaven  
Hear my call from the grave
