????

My House [my heart?]will become our shelter.

[Now that you took] inside my head.

Soon the levy wanes

And my fears grow [grovel?] in the dark.

as the seal I am in disguise.

Saniyaza

I look down and there's my face

I look down and i fear

down on my hands in fornication

A-----??

We'll be the rise and touch the earth.

with our crown

-----the ground

we'll fornicate

And you will see through me again

through me again

oh how we'll see

Join hands and-----

-----wash him away

in the silver light [night]

dust??

You can ??

??

you shall not feel

You feel ??

You'll fall ??

You will not see

You will not see

??

Your love

Our loss

Your Loss

When all is done
The voice of the mute will
The blind will see again
When all is to dark to be seen
The deaf will listen
When all is to loud to be heard
??
To finally follow their guilty gods

I
??
I fear
intent
??
I lust
??
I hide
and seek [in sin]

When all is done

You'll see my face again
When all is done
??
dead corpse
