[intro Portuguese??]

Ahhhhhhh!

Eeeeyah

My first plight to infinite  
??? springs to eternity  
I'm the second one to tell of his glory  
A world apart, in all its glory  
Dessicate the messenger  
This is a power with no end  
The forge is a weapon -???\_  
shine

[low]

Every light has its flame  
And all the world will blame  
For this ?(number)? will reign on mercy

to the ones who ask in vain.

Four is a number

and desist ?  
is a perfect symmetry.

{fast part)  
????????????????????????????

??  
?? guards the truth  
I'll succumb before your life is done  
??

whispered (??)

Blood of Nine Angles  
(Blood of Nine Angles)  
Blood Of Nine Angles  
(Blood of Nine Angles)
