I just woke up
Coffee in my cup
Such a warm and sunny day
Find out what the papers say
Message from the President
No more tax for residents
Go, USA

I'm so happy, feeling snappy
My life is rosy, I'm feeling comfy cozy.

Free, limo ride
Free food inside
Getting paid triple time
Gotta go to Anaheim
Grabbed my briefcase, left my house
Got a meeting with the mouse
Flying in first class

I'm so happy
Feeling snappy
My life is rosy' I'm feeling comfy cozy
Keeps getting better
Good times forever
And this is one great day

Playing guitar in a band
Just got back from Disney Land
Driving my new four by four
Ed McMan is at my door

Stocks I bought just went up
Canucks won the Stanley cup
Bill Gates put me in his will
Someone paid my visa bill

trumpets do chorus

I'm so happy
Feeling snappy
My life is rosy
I'm feeling comfy cozy

I'm so happy
Feeling snappy
Will there be sorrow
When I wake up tomorrow?
