Baby,
You're totally the only one for me,
But lately it just hasn't been fun.
I mean, remember back when we were young, fifteen,
And hopelessly in love.

Babe,
I know that this may come across, so mean,
But I hope that you won't take me, too seriously.
But I think, all we really need,
Is a little bit of, inspiration.

So I, want to fall in Love Again,
Just like the first time,
When we were innocent.
But we're older now,
And the feel is faded out,
Let's get back to the days,
When we were in love.

Darling Please,
You know you're still the only thing I need,
And we belong together.
But I believe,
If we get back the love we found,
We can turn this thing around

So I, want to Fall in Love Again,
Just like the first time,
When we were innocent.
But we're colder now,
That the fire's burning out.
Let's get back to the days,
When we were in love.

Darling listen to me
We can turn this thing around

If we, if we can fall in Love Again,
Just like the first time.
It'd be better then,
What we have right now.

Baby we can work this out,
And get back to the days
When we were in love

In love...
