A little less innocence  
His morals aren't so well defined  
You're here again, the rush beings  
A line of joy and suicide

I can't find the words to say this  
I'm running out of patience

[Chorus:]  
Dearest I'm so sorry you're disturbed  
You know I'd hang on every word  
With each breath you take  
I think I've learned  
Careful you might get burned

Tears tug at the corners of my eyes.  
But I won't let them go this time.  
You're here again, the rush begins.  
A line of joy and suicide.

I can't find the words to say this.  
I'm running out of patience!

[Chorus]

LET'S GO!

Dearest I'm sorry  
But this is not working.

Holding onto what I fight for  
Bleeding for you,  
A face to die for [x2]
