A little less innocence
His morals aren't so well defined
You're here again, the rush begins
A line of joy and suicide

I can't find the words to say this
I'm running out of patience

Dearest I'm so sorry you're disturbed
You know I'd hang on every word
With each breath you take I think I've learned
Careful you might get burned

Tears tug at the corners of my eyes
But I won't let them go this time
You're here again, the rush begins
A line of joy and suicide

I can't find the words to say this
I'm running out of patience

Dearest I'm so sorry you're disturbed
You know I'd hang on every word
With each breath you take I think I've learned
Careful you might get burned

Let's go...

Dearest I'm so sorry
But this is not working

Holding onto what I fight for
Bleeding for you,
A face to die for (x2)
