(A lonely, lonely drifter
(A lonely, lonely drifter

As I sit here, a-wonderin' what happened to me
Can't get away from the wind
Of a
Wondering will I always be a
(Lonely drifter)
(Lonely tripster)
(Lonely drifter)
Because I, I, I don't wanna have to be a
(Lonely, a lonely drifter)
(A lonely, a lonely drifter)

And when?
We forever, forever ever?
Away will tomorrow be like today
Wondering will I always be a
(Lonely drifter)
(Lonely tripster)
(Lonely drifter)
(Lonely drifter)
(Lonely drifter)
