Come home
Come home

I am so temporary
Tell me I can sing to you
With my mouth so full of blood

An' I am so fragile
Tell me I can run to you
When I can hardly stand on my own

And how long will you ransom me?
I always steal myself
How long will you ransom, ransom me?
How long will you ransom me?

And how long will you ransom me?
I always steal myself
How long will you ransom, ransom me?
How long will you ransom me?

I am so temporary
Tell me I can sing to you
With my mouth so full of blood

And I am so fragile
Tell me I can run to you
When I can hardly stand on my own

And how long will you ransom me?
I always steal myself
How long will you ransom, ransom me?
How long will you ransom me?

And how long will you ransom me?
I always steal myself
How long will you ransom, ransom me?
How long will you ransom me?

Meet me as high as I can go
If you can bend yourself that low
Meet me as high as I can go

If you can bend

Come home
