Hold my head up to the sky  
I wonder why, I wonder why  
I like it dark when I cry  
When I cry, when I cry

Salt tears to my eye  
To my eye, to my eye

And I've been watching days go by  
I've been watching days go by  
I've been watching all the days go by  
Never seen an angel fly

I lay me down on my bed  
On my bed, on my bed  
I watch the sun burn cherry red  
Cherry red, cherry red

Like a snake my skin is dead  
Skin is dead, skin is dead

And I've been watching days go by  
I've been watching days go by  
I've been watching all the days go by  
Never seen an angel fly

Ahhh...

I've been watching days go by  
I've been watching days go by  
I've been watching all the days go by  
Never seen an angel fly

I've been watching days go by  
I've been watching days go by  
I've been watching all the days go by  
Never seen an angel fly
