Got my Telly ho's
Got my Bag of dope
Got my scotch and coke
But I forgot my smokes

Gotta Bum a fag
Bum a Fag
Gotta bum a fag
To make a joint
Now you get the point

George is gay
he's bumming fags
night and day
George is gay

Hey Hey

He's gonna bum a fag
And he don't smoke
He's going out for
A night on the poke
Better watch out
He don't choke

Bum a fag
Gotta bum a fag

Naa na na nanana naa
George is gay hey hey
