I can't help thinking of you
Since you came into view
But I've tried

Other boys do the same
Girl you drive them insane
With desire

Just like a bird in my hand
It will all go as planned
I'm a liar

I can't help thinking of you
Since you came into view
But I've tried

Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here
Darlin'
Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here
Darlin'

Although I don't know your name
I could love you just the same
For tonight

And like a flash in your panel
I will take what I can
If that's alright

I still don't know how I feel
The words I use are words I steal
I'm a liar

I can't help thinking of you
Since you came into view
But I've tried

Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here

Darlin'
Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here
Darlin'

Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here
Darlin'
Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here
Darlin'

Ba ba ba badaba ba ba ba badaba
I only came here 'cause I hear that you drink here
Darlin'
