Intro:

Hi my name is Harmony and I'm from Venice,
California
And I'm representing Fairfax Highschool....Melrose
(what?)

It's like...what's up girl
I'm Dwayne Wayne baby it's a whole different world like
Uh, you never seen
Dirty clothes but the caddy real clean
Like mmmmmmm some dishes
I'm so hungry, you look delicious
Rocking your chucks and your Big E Levi's
Label says big size
I like your little turtle neck too
TJ Max, right? Do what you do
Oooh, you lookin' like you seen money before
And your used to these dudes opening the door (true)
Hmmm, Yep, that's what I thought
You the red riding hood and you wanna get caught
Speak, or forever hold your peace alone
I'm PJ put your digits in the phone

Chorus:

Just wind it, (come on) just do it (come on),
Just believe me and improve it (come on)
Repeat

What's up, you drinking too much (hey)
You better.....?????
What you looking at forget them dudes
They buffed up cause they do not got attitude
Like me, I'm too OG
Raised up in the streets to redefine free (hey)
Them other dudes is weird
You can see they insecure from way over here
Fresh out of Foot Locker lookin' like some athletes
They the real geeks, believe it
Been off the varsity team yo for real
Still dressing like they on a football field
Yes, yes y'all, ok back to you
I'm bout to get some coffee, should I make it two?

Girl you better say yes,
Especially if you wanna rock Seven instead of Guess
Like it's 88, I just got a deal
I'm bout to flip the whole dang plate (for real)
Plus you look like Gidget,
The only thing missing is your digits

Chorus
