PJ: Sup girl?  
PJ: What's your name?  
Girl: Hi, my name is Harmony  
PJ: True  
Girl: I'm from Venice, California  
PJ: I like that  
Girl: And I'm representing Fairfax High School  
PJ: What?  
Girl: Melrose

It's like, uh, what's up girl?  
I'm ? baby, it's a whole different world  
Like, sssssssss...uh  
You've never seen  
Dirty clothes but the caddy real clean like  
Mmmmmmm...some dishes  
I'm so hungry, you look delicious  
Rocked in your Chucks and your Big E Levis  
Label says big size  
I like your little turtle-neck too (True)  
TJ-Max right? Hmm, do what you do  
You lookin' like you seen money before  
And your used to these dudes openin' the door (True)  
Hmm, yep that's what I thought  
You the Red Ridin' Hood and you wanna get caught  
Speak, or forever hold your peace  
Alone, I'm PJ, put your digits in the phone

[Chorus 3X]  
(c'mon) Just want it  
(c'mon) Just do it  
(c'mon) Just believe me and then prove it

(c'mon!)

What's up girl?  
You drinkin' too much  
You better ?  
What you lookin' at?  
Forget them dudes  
They buffed up cause they do not got attitude

Like me, I'm too O.G.  
Raised up in the streets to redefine free  
Hey, them other dudes is weird  
You can see they insecure from way over here  
Fresh out of Foot Locker  
Lookin' like some athletes  
They the real geeks, believe it!  
Been off the Varsity team, yo fo' real  
Still dressin' like they on a football field  
Yes yes y'all, okay back to you  
About to get some coffee, should I make it two?  
Girl you better say yes  
Especially if you wanna roll Rock Seven instead of  
Guess  
Like it's '88, I just got a deal  
I'm about to flip the whole dang plate (for real)  
Plus you look like Gidget  
The only thing missin' is your digit

[Chorus 3X]

(c'mon) Just want it  
(c'mon) Just do it  
(c'mon) Just believe me and then prove it

You drinkin' too much  
You better ?
