[Intro] How much is that Golden Motorcycle? [Chorus:
x2] Whoo ooooh ooooh Whoo ooooh ooooh Whoo
ooooh ooooh la la [Verse One] Hello everybody Put
your hands up It's Pigeon John you know how we do, we
get buck Shakin' off the old, puttin' on the new And
everything's changed since the L.A. Symph crew Well,
not really cause we still actin' silly At local Taco Bells
cause we got to get chili Like, get another refill, you
know it's real And waste another night cause we got a
record deal I bought some new pants With my record
advance Now every single night all I do is dance Hook
up with my friends, yo let's take a chance To spread
the true love and the God advice [Chorus] [Verse Two]
Well well well check it I've been chillin' with Coffee,
drinkin' coffee Exchange how we wanna change,
gettin' lofty I wanna know the verb so I gotta read the
word I used to be the nerd now I'm shhh like a bird Big
up to Bonafied with his wife by his side And T Kleezy
make the party people live I be playin' polo with that
niggy Oh No And he know He owe me five bucks Yo
take it slow though Yo It's life and it's different than the
norm And you know I gots to give it up to DJ Form b-
Twice is dating my little sister It's kinda crazy, but it's
cool and I miss her Hey Can I sing you a song? (Oh yes
you can) I promise that it won't be long It's only about
all my people and my friends And my crew Yo there's
no one equal [Chorus] [Bridge] And it goes Big up to
Nashville city like And all the girls that look pretty like
And all my boys that get silly like Wait, okay wait wait
wait like Big up to Nashville city like And all the girls
that look pretty like And all my boys that get silly like I
got the gold motorcycle Big up to Nashville city like
And all the girls that look pretty like And all my boys
that get silly like Wait, okay wait wait wait like And all
the girls that look pretty like And all my boys that get
silly like I got the gold motorcycle I got the gold
motorcycle I got the gold motorcycle I got the gold
motorcycle [Chorus]
