Went over to her, thought I could complete her, right I
know what I'm doing, don't need no advice I said,
"Hello, it's very nice to meet you. I was searching,
looking for a chance to greet you. Maybe not so much,
so maybe I could reach you You don't know much about
me, maybe I could teach you." She said, "Cool", I said
"Okay", beautiful I was feeling Eddie Murphy-like
beautiful The blue sky, everything was very beautiful
Including her, she walked off pursuable [Chorus] It's
the chase (What am I to do but pursue?) It's the chase
(Everthing is so brand new) It's the cha-a-a-ase (oh
boy) It's the cha-a-a-ase (oh boy) It's the chase (I don't
have a chick on my arm) It's the chase (I was no match

lunch, her and my homeboys Ordered a drink, now I'm
in the zone, boy She's smiling, grinning, now I'm on my
own, boy Talk her to her like on telephone, boy Slow
motion reaching for the ketchup, right Second later,
get a refill on the cup, right Little mix of Mt. Dew and 7-
Up, right Everything was just smooth and not uptight
And now I introduce her to my friends, dude I should'nt
have introduced her to my friends, dude Cause they all
acting like they can get it too And now I'm getting
angry at my stupid crew [Chorus] It's the chase (What
am I to do but pursue?) It's the chase (Everthing is so

It's the chase [Verse Three] We walked away, a very
lovely afternoon I said "You're very nice and maybe we
can hookup soon." She didn't say nothing back, humm I

wish I could take back when I said like a vacuum She
said "That would be cool, I guess, yo. But what about
your homeboy? Is he single? Cookbook, that dude from
Puerto Rico. You're a nice guy, but he's making me
think, yo." I like her A-a-a-and she likes him A-a-a-and
