Baby when I showed you how
To explore the feelings raw
Never wanna let you go
(Baby, you got me going)

Your body close to mine
Feeling the heat around
Never felt this way before
(Baby, you got me going)

[Chorus:]
Dangerously in love with you
Never want another one but you
(Knowing) that you feel the way I do
Dangerously in love with you

Feelings that you bring (so so)
So heavenly (so heavenly)
You're my angel baby
And let's get together (can't get away)
Maybe we're stuck here forever
Baby you have my heart, never leave me

[Chorus:]
Dangerously in love with you
Never want another one but you
(Knowing) that you feel the way I do
Dangerously in love with you

(I'm in love with you)
Can't stand away without you
(And no one is you)
[x2]

[Chorus:]
Dangerously in love with you
Never want another one but you
(Knowing) that you feel the way I do
So dangerously in love with you
