Jam e rende me me majte
shume kushte qes
edhe jam e embel
vete me ty kur mbes

E nese na fillojme
e kam seriozisht
dije qe nuk flej me ty
pa e pase unazen n'gisht

Je si manushaqe*
hajde t'puthi n'faqe
shume e mire je

Ku moj u rrezite
e embel si shampite
afrohu pak ma knej

E bukur e veshur Prada e omel si rollata
bon drite sikur stella e omel si nutela
bella mama ama

Tona senet i ki prej nalfa deri n'gama
ah yep ah honey kce
a yep ah beybe me
with you i am full with you i am complete
with you i am real okay, i burn up with you

Nese jemi bashke
ti se din qka t'gjen**
qdo princip i joti zemer
te une nuk vlen
