### "A Shame"

You are afraid to say it's true reality escapes you  
Time after time you try to prove to yourself you're right  
But your ways are not the way how long do you have to  
play  
This game before you see I'm right it's not just a game  
it's a fight  
You're afraid to hold out your hand don't be afraid to  
take a stand

[Chorus]

It's a shame to be ashamed  
To be ashamed of the One that we should glorify

You are afraid of the price you'll pay will you be strong  
or walk away  
You're reasons are runnin' thin all that's left to do is  
give in  
Inside this generation of sin there's only one place to  
begin  
And it's at the starting line or you will be left behind  
You say it's hard to believe in something you can't see  
A choice you make today will affect you eternally

Now I'm here to stay  
And I've made a change  
And I won't go away  
From the One who gave live
