Hey bro! You better learn to beg To the church, to the  
state to the mutha fuckin ruling class Because your  
time is wasted Every time you tolerate You let yourself  
be exploited To search for freedom is not a crime So  
why the fuck bro should We live our lives in Hardtimes  
Hey bro you better be Aware of what's up doing play  
From the streets to the system Coz the kind of  
knowledge that You have will be your key To the door to  
be free Or to cellblock of slavery Don't let politician  
media Fool ya! Coz if they got ya Then you police  
yourselves Coz the message is internalized In your  
brain in my rhyme Locked your mind. Manipulated In  
Hardtimes Pak Pak Bam Bam Dead brothers on the  
ground Your basic human rights Died with your face  
down Coz when you're in the O.B. Boy your better be  
Not around Coz the working class Has no say And if  
you fuck\*up when You try to hit the easy road Then  
you'll pay You'll gonna pay with Your life Coz we're  
condemed to HARDTIMES
