"Last Goodbye"

Visit "[Last Goodbye](#)" on MotoLyrics.com

I don't ever want to have to see you go
'Cause I don't ever want to have to be alone
Little did I know I wasn't on my own
This is the only way I've found for me to show
Exactly how I feel as you go

I will never say never say die
Forever and ever I'll try
Got to get it right
Just between you and I
This could be the last goodbye

And I know that I will never ever find
Another one of a kind a love redefined
Hold on tight to the one that lights your eyes
Cause every single day we're running out of time
So I have got to find a way to show you how I feel

Got to get it right could this be
This could be the last goodbye
