Your greetings a sinister smile  
Knowing to raas that you're trying to pull the wool over  
my eyes  
Blood sweat and tears build up your company  
My perspiration is burning up my eyes  
If you're complacent, that's when they're going take  
control  
Like a groundhog they want you to be afraid of your  
shadow  
Don't want you to know night and day or rain from snow  
They don't want you to view how life can go  
If dare mention your frustration by asking a question  
You face turbulation  
You nah get promotion  
What's your decision  
About this demotion  
Mr. Exploita  
Yeah, yeah, yeah, yeah, Mr. Exploita  
Mr. Exploita  
You see the thief him a run now  
Mr. Exploita  
Yeah, yeah, yeah, yeah, Mr. Exploita  
Mr. Exploita  
Your greetings a sinister smile  
Knowing to raas that you're trying to pull the wool over  
my eyes  
Blood sweat and tears build up your company  
My perspiration is burning up my eyes  
If you're complacent, that's when they're going take  
control  
Like a groundhog they want you to be afraid of your  
shadow  
Don't want you to know night and day or rain from snow  
They don't want you to view how life can go  
Liberation! Liberation!  
I say  
Take away the shackles off your brain  
Maintain  
Take away the shackles off your brain  
Maintain  
Liberation!  
You know, I know, and now they now

Now that they know they want you go  
You know, I know, and now they now  
Now that they know they want you go
