Open up my heart to you for I cared for you the most
And you did to me what I fear the worst
Tears fell on pillow then as I contemplated death,
I refuse to make this my last breath
Hear me when I say
WHY? You suddenly calling me
WHY? You want to come back to me
WHY? You want to make love to me
Mi say mi exgal she take off
And then she come back like she want to get choose
She taking big man for a baby
Gal you must be crazy
Ah you roll the dice & you loose
She see upstairs pon di balcony
VIP section surrounded by raving beauties
Her pretty face couldn't carry her to get pass my
manager
Neither mi securities
WHY? You suddenly calling me
WHY? You want to come back to me
WHY? You want to make love to me
Keep walking keep on walking cause I aint talking to
you
NO! NO! NO! Way you use the power of persuasion girl
If you see me on the main don't bother to call out my
name
You voice brings me too much shame
You're always doing stupid shit
You never calculate the risk
You always want your own way
WHY? You suddenly calling me
WHY? You want to come back to me
WHY? You want to make love to me
She's out there!
Standing up under the marquee
She's out there!
Standing with her sexy body
She's out there!
Her very presence is haunting me
She's out there!
Why di gal she never leave already?
WHY? You suddenly calling me

WHY? You want to back to me
WHY? You want to make love to me
