Collection, collect us  
When it's our time accept us  
Correction, correct us  
Til we're clean disinfect us  
Deception, decieve us  
We don't want to know believe us  
No questions  
Just don't leave us

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you join us

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you join us

Infection, infect us  
Our sleeves rolled up inject us  
Forensics, invent them  
Domestics? No? Collect them  
Protection, protect us  
We don't want to know direct us  
The lesson? What lesson?  
We excel at inattention

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you join us

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you join us

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you play it safe  
And come get saved

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you play it safe  
And come get saved

Save us, save us  
We'll do anything  
Just keep us safe  
We'll give you everything  
Save us, save us  
We'll do anything  
We'll save you  
Tell us everything

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you play it safe  
And come get saved

Everyone gets saved  
Everyone gets saved  
If you join us  
Everyone gets saved  
If you play it safe  
And come get saved  
We have to say you're so behaved  
Found your place  
We're all saved 'round here
