Last night, i had a dream about you
in this dream im dancing right beside you
and it looked like everyone was having fun
the kinda feeling i waited so long
dont stop, move a little closer
as we jam, the rhythm gets stronger
theres nothing wrong with just a little little fun
we were dancing all night long
the time is right to put my arms around you
your feeling right, you wrap your arms around me too
but suddenly i feel the shining sun
before i know it the dream was all gone
ooh i dont know what to do
about this dream and you
i wish this dream comes true
ooh i dont know what to do
about this dream and you
we'll make these dreams come true

why dont you play the game
why dont you play the game
