We're going down
Looking around this place man
I've got to get out of here
All those people here are crazy (gonna drive me nuts)
Looking at their race
I never wanted to be in
Where's the door , just get me out of here
We're going down
We're going down and out yeah down and out
Looking at all these cars
Now they're blocking my escape
L.A. Freeway , never free no way
15 miles an hour
The Clash tape up past ten
Ten more minutes and I can breathe again
