I didn't want to be the one to forget  
I thought of everything I'd never regret  
A little time with you is all that I get  
That's all we need because it's all we can take

One thing I never see the same way around  
I don't believe it and it slips on the ground  
I wanna take you to that place in the "Roche"  
But no one gives us any time anymore

You used me once, you fled, looking, it was dark  
You made an offer for it, then you ran off  
I got this picture of us kids in my head  
And all I hear is the last thing that you said

"I listened to your problems  
Now listen to mine"  
I didn't want to anymore, oh oh oh

And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Kinda given up on giving away  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door

And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Kinda given up on giving away  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Some more again

It didn't matter what they wanted to see  
You thought you saw someone that looked just like me  
The summer memory that just never dies  
We worked too long and hard to give it no time

He sees right through me, it's so easy with lies  
Cracks in the road that I would try and disguise  
He runs the scissors at the seam in the wall  
He cannot break it down or else he would fall  
One thousand lonely stars hiding in the cold  
Take it, I don't wanna sing anymore

"I listened to your problems  
Now listen to mine"  
I didn't want to anymore, oh oh oh

And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Kinda given up on giving away  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door

And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door

I don't understand, don't get upset  
That I'm not with you  
We're swimming around,  
It's all I do, when I'm with you

And we will never be alone again  
'Cause it doesn't happen every day  
Kinda counted on you being a friend  
Kinda given up on giving away  
Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
'Cause I know it unlocks like a door
