Touch

I remember touch  
Pictures came with touch  
A painter in my mind  
Tell me what you see

A tourist in a dream  
A visitor it seems  
A half forgotten song  
Where do I belong?  
Tell me what you see  
I need something more

Kiss

Suddenly alive  
Happiness arrive  
Hunger like a storm  
How do I begin?

A room within a room  
A door behind a door  
Touch, where do you lead?  
I need something more  
Tell me what you see  
I need something more

If love is the answer, you're home  
Hold on  
If love is the answer, you're home  
Hold on

Touch

Sweet touch  
You've given me too much to feel  
Sweet touch  
You've almost convinced me I'm real

I need something more  
I need something more
