Daft Punk - Weapon With a Face

Vs. Deadmau5 (Remix by Madeon)

Rippin' my heart was so easy, so easy
Launch your assault now, take it easy
Raise your weapon, raise your weapon
One word and it's over
Rippin' through like a missile
Rippin' through my heart
Rob me of this love
Raise your weapon, raise your weapon, and it's over.
What's going on?
Could this be my understanding
It's not your fault I was being too demanding
I must admit it's my pride that made me distant
All because I hoped that you'd be someone different
There's not much I know about you
Fear will always make you blind
But the answer is in clear view
It's amazing what you'll find face to face.
You won't feel a thing,
You won't feel a thing
Through your heart.
Dropping your bombs now
On all we've built
How does it feel now to watch it burn, burn, burn?
Raise your weapons, raise your weapons,
raise your weapons, raise your weapons.
I turned away because I thought you were the problem
Tried to forget until I hit the bottom
But when I faced you in my blank confusion
I realized you weren't wrong, it was a mere illusion
It really didn't make sense
Just to leave this unresolved
It's not hard to go the distance
when you finally get involved face to face
You won't feel a thing,
You won't feel a thing (raise your weapons, raise your
weapons)
