Shoes crack where you walk
Settle down
Inside, outside, amazing
Cut it back
Get in some clean fresh air

Acute angles, divide my
Path that I had lost
Path that I had lost

Tongue tied, couldn't talk
Settle down
Inside, outside's amazing
Haven't lost
Haven't cared at all

Acute angles, divide my
Path that I had lost
Path that I had lost

And when you see a boat come
In a straight line
You know it's going straight down
And then you feel like a flower sender
Lender, like you

I close my eyes
Nothing to see here

Cloud tank, given off
Watered down
Stick side outside, the razing.
Wasn't cool
Wasn't fair at all

Acute angles, divide my
Path that I had lost
Path that I had lost

I close my eyes
Nothing to see here

And when you see the big crack in the sunlight
You know it's over somehow
And then a pinhole sky expodes out
Ball of fire
Supernova falls down on you

I close my eyes
Nothing to see here

(Ball of fire
Supernova falls down on you)
