"The Train"

All aboard this 'ol train
I got to get away, I got to get away
I see you wavin', wavin' goodbye
I got to get away, as you wave goodbye
As you wave goodbye, as you wave goodbye

It tossed into the wake
You reach land, I hope to sail.

It tossed into the wake
You reach land, I hope to sail.

Ooooh, away
Ooooh, away
Ooooh, ooooh

All aboard this 'ol train
I got to get away, I got to get away
I see you wavin', wavin' goodbye
I got to get away, as you wave goodbye
As you wave goodbye, as you wave goodbye

It tossed into the wake
You reach land, I hope to sail.

It tossed into the wake
You reach land, I hope to sail.

Ooooh, away
Ooooh, away
Ooooh, away
Ooooh, ooooh

In shot again.
