VERSE 1:

You say your over me
As tears roll down your perfect skin
The diversion tactic rips right through me
I let you in

Your flush red pouting lips
Perfect the perfect, perfect lie
I know you know you know
You suck me in all the time

CHORUS:

And when you call me up
I know your still there laying with him
I want you to remember
This ain't a love song for you

And when you close your eyes
And you think of me late at night
I want you to remember
This aint a love song for you

VERSE:

You hide yourself away
Away, away, away, away
Your so damn perfect (I know you blame me for it)
But hey you know you dug you in (But hey how come
you dug you in)

The clouds above move on
The sun rises to another day
Why can't you let me go
Even though, you know you won't let me in (to late
baby)

CHORUS:

And when you call me up
I know your still there laying with him
I want you to remember
This ain't a love song for you

And when you close your eyes

And you think of me late at night
I want you to remember
This aint a love song for you

BRIDGE

CHORUS BREAKDOWN (QUIET)

No

No
No, No, No, No
Ain't a love song for you.
No it ain't
No
No, No, No, No
No

Ain't a love song for you.
