I never thought I'd find someone
But you came along and made me see
That you were the only one for me
Boy I love you constantly

1 - You are my love, my only love
Baby my heart belongs to you
Be with me, don't play with me
If you want love just let me know

2 - Love, love is such a crazy thing
Never understood the way I was supposed to feel
Is this love for real?
Love, love is such a crazy thing
Never understood the way I was supposed to feel
Is this love for real?
(Love for real)

I've dreamed of someone like you before
But I never though I'd get the chance
To romance to someone as sweet as you
I hope you feel the same as I do
