White knuckles and sweaty palms from hanging on too tight  
Clenched shut jaw, I've got another headache again tonight  
Eyes on fire, eyes on fire, and the burn from all the tears  
I've been crying, I've been crying, I've been dying over you  
Tie a knot in the rope, trying hold, trying hold  
But there's nothing to grab so I let go

I think I've finally had enough, I think I maybe think too much  
I think this might be it for us (blow me one last kiss)  
You think I'm just too serious, I think you're full of shit  
My head is spinning so (blow me one last kiss)

Just when it can't get worse, I've had a shit day  
You've had a shit day, we've had a shit day  
I think that life's too short for this, I'll pack my ignorance and bliss  
I think I've had enough of this, blow me one last kiss

I won't miss all of the fighting that we always did  
Take it in, I mean what I say when I say there is nothing left  
No more sick, whiskey-dick, no more battles for me  
You'll be calling a trick, 'cause you'll no longer sleep  
I'll dress nice, I'll look good, I'll go dancing alone  
I will laugh, I'll get drunk, I'll take somebody home

I think I've finally had enough, I think I maybe think too much  
I think this might be it for us (blow me one last kiss)  
You think I'm just too serious, I think you're full of shit  
My head is spinning so (blow me one last kiss)

Just when it can't get worse, I've had a shit day  
You've had a shit day, we've had a shit day  
I think that life's too short for this, I'll pack my ignorance and bliss  
I think I've had enough of this, blow me one last kiss

I will do what I please, anything that I want  
I will breathe, I will breathe, I won't worry at all  
You will pay for your sins, you'll be sorry my dear  
All the lies, all the lies, will be crystal clear

I think I've finally had enough, I think I maybe think too much  
I think this might be it for us (blow me one last kiss)  
You think I'm just too serious, I think you're full of shit  
My head is spinning so (blow me one last kiss)

Just when it can't get worse, I've had a shit day  
You've had a shit day, we've had a shit day

I think that life's too short for this, I'll pack my ignorance and bliss  
I think I've had enough of this, blow me one last kiss
