i love you so much i wanna light you on fire
show you how hot you are
i want you so bad, i wanna punch you in your face
hit you til you see stars
i'm a passionate one and you my master piece
but baby you must be warned
i'm a passionate one and i will break you to pieces
trust me i've done it before

ican't help it(i can't help it)
i'll put you on your knees
and i'll walk over you
just to show you how i feel
i'm in love with you

i love you so much
i wanna slash your tires
to keep you from driven drunk
come over here i want you to taste my poison
to stop you from eating junk
i know your the one 'cause you're not afraid
you're not afraid of me
let's give it some time
see if you get scared 'cause maybe you should be!
a little pain and pleasure never hurt no one
i promise to try better 'cause your the only one
I can't help it(no,no,no)
I'll put you on your knees
I can't help it(yeah,yeah,yeah)
and I'll walk over you
just to show you how I feel
I'm in love with you

i can't help it(can't help it)
I'll break you like a whore
and when I'm done with you
I'll feel no remorse
I'm in love with you
a little pain and pleasure never hurt no one
yeah,yeah,yeah i can't help it no,no.no
I can't help it(no,no,no)
I'll put you on your knees(I'll put you on your knees)

I can't help it(yeah,yeah,yeah)
and I'll walk all over you
just to show you how i feel
I'm in love with you
