Good afternoon ladies and gentlemen
And welcome to Pink Airlines, we hope your flight
Is enjoyable and our flight attendants
Are here to insure your ride is as pleasant as possible

Seat backs and tray tables must be in the upright
And locked position during the take-off and landing
All carry-on luggage must be stowed in an over-head
compartment
Or under the seat in front of you

Waiting on a ticket
'Cause you're looking for the ride
You're feeling on top
'Cause you're flying through the sky

You wanna have your cake and you wanna eat it too
Everybody's always pointing fingers at you
You're damned if you do, you're damned if you don't
We're always doing all the things that we say, we won't

Here we go, we're riding on a whim
Connecting with a rendezvous
Here we go, we're jumping off the wings
We're going 'round in circles
It's a catch 22

Yes, we're flying 'round in circles
It's a catch 22
Yes, we're rocking 'round in circles
It's the catch 22

If you are seated in an emergency exit aisle
And feel as though you are unable or unwilling
To assist in case of an emergency
Please notify a flight attendant immediately

All electrical equipment, including cell phones
2-way pagers, portable CD players, laptops, etc
Should remain in the off position until the pilot notifies
us
That we are at a safe flying altitude of 10,000 ft

Looking from the outside, you're always looking in
You think you fixed the problem 'til it comes right back
again

And life seems like a trap, you're trying to get out
You're searching for you cheese 'cause you feel like
mighty mouse

You're damned if you don't, you're damned if you do
You've seen all the signs but you haven't got a clue

Here we go, we're riding on a whim
Connecting with a rendezvous
Here we go, we're jumping off the wings
We're going round in circles
It's a catch 22

Yes, we're flying 'round in circles
It's a catch 22
Yes, we're rocking 'round in circles
It's the catch 22

You are in for the ride of you life

Here we go, we're riding on a whim
Connecting with a rendezvous
Here we go, we're jumping off the wings
We're going 'round in circles
It's a catch 22

Yes, we're flying 'round in circles
It's a catch 22
Yes, we're rocking 'round in circles
It's the catch 22

We realize you had many choices and on behalf of all
of us
At Pink Airlines, we'd like to thank you for flying with us
We hope you have a wonderful stay
Wherever your destination may be

And remember be careful when retrieving your items
As during the flight they may have shifted
And might fall on you or your neighbor's head
And knock you the fuck out

Here we go, we're riding on a whim
Connecting with a rendezvous
Here we go, we're jumping off the wings
We're going 'round in circles
It's a catch 22

Yes, we're flying 'round in circles
It's a catch 22
Yes, we're rocking 'round in circles
It's the catch 22
