How are you doin'?

Hey

How many times have I died because of sorrows ?
So many times I've been scared about tomorrow
Never knew why, now I'm asking for a reason
How many tears, tell me, how many tears will fall ?
How many fools have been paying for the evil ?
How many "Gods" have been lying to the people ?
Where are you now that I'm asking for the reason ?
How many tears will fall ?

When the sheets are empty - Do you like it like that ?
When your heart is empty - Do you like it like that ?
When your pockets are empty - Do you like it like that ?
When your life is gettin' cold
Do you like it like that ?

How many lies can you tell to hide an error ?
How many smiles can you practice in your mirror ?
Where are you now that I'm asking for the reason ?
How many tears, tell me, how many tears will fall ?
How many men have been trusted out of season ?
How many promises broken without reason ?
Where are you now and how about tomorrow ?
How many tears will fall ?

When the sheets are empty - Do you like it like that ?
When your heart is empty - Do you like it like that ?
When your pockets are empty - Do you like it like that ?
When your life is gettin' cold
Do you like it like that ?

How many times, how many times
Have you done 'cos of sorrow?

How many times have I died because of sorrows ?
So many times I've been scared about tomorrow
Never knew why, now I'm asking for a reason
How many tears, tell me, how many tears will fall ?

When the sheets are empty - Do you like it like that ?
When your heart is empty - Do you like it like that ?
When your pockets are empty - Do you like it like that ?
When your life is gettin' cold
Do you like it like that ?

When the sheets are empty - Do you like it like that ?
When your heart is empty - Do you like it like that ?
When your pockets are empty - Do you like it like that ?
When your life is gettin' cold
Do you like it like that ?

Do you like it?
Do you like it?
Do you like it?
Ooh ooh...
