We go where we like
We got over time
We get paid to rattle our chains
We go in the back
Paint our money black
Spend it on the enemy

Sleeping in the church
Riding in the dirt
Put a banner over my grave
Make a body work
Make a beggar hurt
Sell me something big and untamed

Now our time
Real good time
Now our time
A real good time
Now our time
A real good time

Hey be all mine!

We know how to pray
Party everyday
Make our desolations of pain
Riding in a rut
Till the powers cut
We don't even have a good name

Sleeping in the church
Riding in the dirt
Put a banner over my grave
Make a body work
Make a beggar hurt
Sell me something big and untamed

Now our time
Real good time
Now our time
A real good time

Now our time
A real good time

Hey be all mine!

Sell me something big and untamed...

Now our time
Real good time
Now our time
A real good time
Now our time
A real good time

Feel good, real good
It's the same old same
Feel good, feel good
Don't got no more brains

Feel good, real good
It's the same old same
Feel good, feel good
I don't got no more brains!

Hey be all mine!
