(Ahh, Ah,Ha,Ha,Ha,Ha)
(Yeah, Mhmm)
(Mmm, Uhh)

Iâ€™m alone now
Staring at the ceiling
(Uh, Uh)
Iâ€™m kina bored now
I canâ€™t sleep
(I Canâ€™t Sleep, Uh, Uh)

And you only can make my life complete
(Uh, Uh. Ah, IE)
and when you come you slip into a dream
(Uh, Uh. Ah, IE)

When itâ€™s late at night and youâ€™re fast a sleep
I let my fingers do the walking
I press record I become a fiend
And no one else is watching
I let my fingers do the walking

(Sth, Mmm)

Iâ€™m starving (Sth)
For some attention
Iâ€™m begging, pleading, bleeding
For a suggestion
(Uh, Uh, Uh)

I bite my tongue because I wanna scream
(Uh, Uh. Ah, IE)
Iâ€™m almost there then you turn and look at me
(Uh, Uh. Ah, IE)

When itâ€™s late at night and youâ€™re fast a sleep
I let my fingers do the walking
I press record I become a fiend
And no one else is watching
(I let my fingers do the walking)
Rewind and you will see
(You will see)

while in the morning IÂ'm happy
(IÂ'm happy)
Right there on the TV screen
(On the TV)
(ÂiME VENGO, ME VENGO!) [Spanish. English: "I'm
comming, I'm comming"]

(Ahh, uh, Uh, Uh, uh)
IÂ'm restless
You need some caffeine
(Ah, Ha, Ha, Ha)
I'm wasted
If you could only see
(only see)

'cause I need more than you are gonna give
(Uh, Uh. Ah, IE)

When itÂ's late at night and youÂ're fast a sleep
I let my fingers do the walking
(AHHHHHHH)!
I press record I become a fiend
And no one else is watching
(No, No, No No)

When itÂ's late at night and youÂ're fast a sleep
I let my fingers do the walking
(My fingers do the walking)
I press record I become a fiend
And no one else is watching
(No one else is watching)
(I let my fingers do the walking)

(Ah, Ah, ah, ah, ah Uh, Uh, uh Huh
