I'm coming up so you better get this party started
I'm coming up so you better get this party started
Get this party started on a Saturday night
Everybody's waitin' for me to arrive
Sending out the message to all of my friends
We'll be lookin' flashy in my Mercedes Benz
I got lots of style check my gold diamond rings
I can go for miles if you know what I mean
I'm coming up so you better get this party started
I'm coming up so you better get this party started
Pumpin' up the volume breakin' down to the beat
Cruisin' through the westside we'll be checkin' the
scene
Boulevard is freakin' as I'm coming up fast
I'll be burnin' rubber you'll be kissin' my ass
Pull up to the bumper and get out of the car
License plates are sellin' number one superstar
I'm coming up so you better get this party started
I'm coming up so you better get this party started
Get this party started
Makin' my connections as I enter the room
Everybody's chillin' as I set up the groove
Pumpin' up the volume with this brand new beat
Everybody's dancing and they're dancing for me
I'm your operator you can call anytime
I'll be your connection to the party line
I'm coming up so you better get this party started
(I'm coming up, uh-huh)
I'm coming up so you better get this party started
(I'm coming up, I'm coming)
I'm coming up so you better get this party started
(I'm coming up so you better)
I'm coming up so you better get this party started
Get this party started
Get this party started
Get this party started
