We don't wanna go home  
We're bad people and we do bad things  
Yea, we don't wanna go home  
We don't wanna, we don't wanna go  
We're bad people and we do bad things

Here we go, don't you know?  
We're the ones that keep it wicked  
Rock n' Roll, all good, mix it up  
That's my ticket  
Cruisin' in my Cadillac  
Escalade trickin'  
Sometimes like it easy  
Sometimes like it rugged

Keep control, don't you know?  
Hit the floor, run for cover  
Yea, flew around the world  
About fifty times over  
From New York to LA  
To the white cliffs of Dover  
The road can be my enemy  
The road can be my lover

Watch how we do this here  
We don't wanna go home  
Yea, watch how we do this here  
Oh no, no, we don't wanna go home  
From the humble neighborhoods  
We're takin' over the dance floor  
We don't wanna go  
From the humble neighborhoods  
We're gettin' out of control  
We're bad people and we do bad things

Here we go, hit the road  
We're the ones that make it crazy  
Mix it up, try our luck  
This ain't time to get lazy  
Meetin' at eleven in the hotel lobby  
Same faces, different places  
Never knowin' where we goin' now

Someday I'm gonna die  
But it won't be from boredom  
If you've got the skills then I suggest  
That you throw down  
Meet us at the spot  
'Cause it's gonna be a showdown  
Now, you can't ride the bus  
Man you better cool down

Watch how we do this here  
Yea, watch how we do this here  
We don't wanna go home  
From the humble neighborhoods  
We're takin' over the dance floor  
We don't wanna go  
From the humble neighborhoods  
We're gettin' out of control  
We're bad people and we do bad things

Here we go, don't you know?  
We're the ones that keep it wicked  
Rock n' Roll, all good, mix it up  
That's my ticket  
Cruisin' in my Cadillac  
Escalade trickin'  
Sometimes like it easy  
Sometimes like it rugged

Keep control, don't you know?  
Hit the floor, run for cover  
Yea flew around the world  
About fifty times over  
From New York to LA  
To the white cliffs of Dover  
The road can be my enemy  
The road can be my lover

Watch how we do this here  
We don't wanna go  
Yea, watch how we do this here  
Oh, no, no, we don't wanna go home  
From the humble neighborhoods  
We're takin' over the dance floor  
We don't wanna go  
From the humble neighborhoods  
We're gettin' out of control  
We're bad people and we do bad things

Oh, we don't wanna go  
We don't wanna go

We don't wanna go
