Yeah yeah yeah yeah yeah  
There's always cracks  
Crack of sunlight  
Crack in the mirror on your lips  
It's the moment of a sunset Friday  
When our conversations twist  
It's the fifth day of ice on a new tattoo  
But the ice should be on our heads  
We only spun the web to catch ourselves  
So we weren't left for dead

And I was never looking for approval from anyone but  
you  
And though this journey is over I'll go back if you ask  
me to

I'm not dead just floating  
Right between the ink of your tattoo  
In the belly of the beast we turned into  
I'm not scared just changing  
Right beyond the cigarette and the devilish smile  
You're my crack of sunlight

You can do the math a thousand ways but you can't  
erase the facts  
That others come and others go but you always come  
back

I'm a winter flower underground always thirsty for  
summer rain  
And just like the change of seasons  
I know you'll be back again

I'm not dead just floating  
Underneath the ink of my tattoo  
I've tried to hide my scars from you  
I'm not scared just changing  
Right beyond the cigarette and the devilish smile  
You're my crack of sunlight oh

I'm not dead just yet  
I'm not dead I'm just floating

Doesn't matter where I'm going  
I'll find you  
I'm not scared at all  
Underneath the cuts and bruises  
Finally gained what no one loses  
I'll find you  
I will find you

I'm not dead just floating  
I'm not scared just changing  
You're my crack of sunlight yeah
