Is it love or just a curse
Do you feel good when I hurt?
I need your heart to open up
If this love's not real then it's just my luck

Mommy help me, I need your help
This little boy, he took my love
He says these things that make my body bump up
And then he runs, leaving me undone
And I don't understand for sex, he said he'd be my
man

Is it love or just a curse
Do you feel good when I hurt?
I need your heart to open up
If this love's not real then it's just my luck

Daddy listen, I gave it up, I'm not your little girl
My cherry's bust and all the trust is missing
But please listen, what do I do?
I know you wanna hurt him but I like what he do
He's only doing what you used to

Is it love or just a curse
Do you feel good when I hurt?
I need your heart to open up
If this love's not real then it's just my luck

You never told me 'bout the birds and the bees
About hide and go seek
And what he gets when he finds me
The biggest mistakes an' the choices I make
Won't you help me decide what's goin' on in my mind

Is it love or just a curse
Do you feel good when I hurt?
I need your heart to open up
If this love's not real then it's just my luck
