"It's Over"

Visit "[It's Over](#)" on [MotoLyrics.com](#)

(Feat. Preston Creed)

Preston:

I'm not going through this again

Pink:

I swear to God.

I'm wiping the last tear away.

That's it

Preston: Look at me.

Pink:

I'm not gonna be here no more

Preston:

I'm gone... and this time

Pink:

It's over

(Pink)

I'll be damned

If I'm gon' cry over you

Boy we're through

There's nothing else to say to you

I'll be damned if I'm gon cry over you

Boy we're through

And I don't ever want

To have to see you, again

(Pink)

Another night, going to sleep restless

But I'm gonna wake up feeling blessed

Cause you ain't gonna be here no more,

To cause me no stress

The way I loved you never made much sense

But you ain't gonna be here no more, baby

To cause me no stress

(Pink)

I'll be damned if I'm gon' cry over you

Boy we're through

There's nothing else to say to you

I'll be damned if I'm gon cry over you

Boy we're through

And I don't ever want

To have to see you, again

(Preston)

I was walking down the street
Just the other day
I seen this angel, this beautiful angel
I thought it was you,
She was walking and talking the same way
I can feel inside,
It was hurting and I started to cry
I had to be strong about it
I had to take a sip
And swallow it down with my proud

(Preston)

I'll be damned
If I'm gon' cry over you
Girl we're through
There's nothing else to say to you
I'll be damned
If I'm gon cry over you
Girl we're through
And I don't ever want
To have to see you, again

(Preston)

I've got no more tears in me
And you're not crying for me, no
It's a lonely lonely place to be

(Pink)

I'm not crying
I'm not staying home
I'm not thinking

(Pink and Preston)

I'll be damned
If I'm gon' cry over you
Boy/girl we're through
(I know we're through)
There's nothing else
To say to you

I'll be damned
If I'm gon cry over you
I don't have the time
To carry on with you
We're thru, we're thru,
We're thru, we're thru, we're thru
I don't wanna see your face no more
I just don't wanna cry no more
It's over babe

It's over babe
I don't wanna cry no more
You won't be in my world, no no no
