I'm lyin' here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun

I can't stay on your life support,
There's a shortage in the switch
I can't stay on your morphine,
'Cause it's making me itch
I said I tried to call the nurse again,
But shes being a little bitch
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I should get some help

I can't stay on your life support,
There's a shortage in the switch
I can't stay on your morphine,
'Cause it's making me itch
I said I tried to call the nurse again,
But shes being a little bitch
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

I can't stay on your life support,
There's a shortage in the switch
I can't stay on your morphine,
'Cause it's making me itch
I said I tried to call the nurse again,
But shes being a little bitch
I think I'll get outta here, where I can

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill

Run just as fast as I can
To the middle of nowhere
To the middle of my frustrated fears
And I swear you're just like a pill
Instead of makin' me better,
You keep makin' me ill
You keep makin' me ill
